Megawide awarded EPC contract for Megaworld's Gentry Manor

Metro Manila, Philippines – Engineering and infrastructure conglomerate Megawide Construction Corp. (the “Company”) was named as the EPC partner of premier property developer Megaworld for its newest development, the Gentry Manor. The new township is located along Seaside Boulevard in Westside City, Pasay City.

“Megawide is proud to help deliver Megaworld’s first-world vision for Gentry Manor,” said Edgar Saavedra, Megawide Chairman and CEO. “Megaworld is one of our most valued long-term clients and we are grateful for their continued trust in Megawide. As a partner, we are committed to delivering only the highest standards of construction technology and excellence for Gentry Manor.”

The project involves the construction of a podium and four 16-level towers, with a total contract price of P4.36B. Initial works started in January and completion is targeted for January 2023.

Megawide is currently engaged as contractor for other ongoing Megaworld developments, such as the One Manchester Place in Mactan Newtown, Cebu; and the Albany and St. Mortiz properties in McKinley West, Taguig. #

ABOUT MEGAWIDE

Megawide is one of the leading infrastructure and engineering companies in the Philippines. Publicly-listed since 2011, Megawide is the private partner for infrastructure projects such as the Mactan-Cebu International Airport (MCIA) and the Paranaque Integrated Terminal Exchange (PITX). In 2012, the company established Megawide Corporate Foundation, Inc., a non-profit organization focusing on social development projects.
