MEGAWIDE AND 8990 HOLDINGS, INC. BREAK GROUND FOR URBAN DECA TOWERS CUBAO

Cubao, Quezon City – Engineering and infrastructure conglomerate Megawide and leading Philippine affordable housing developer 8990 Holdings, Inc. celebrated the groundbreaking for Urban Deca Towers Cubao last February 10, 2020.

“We are proud to be working with 8990 Holdings, Inc. on their latest project, Urban Deca Towers Cubao,” Eric Tan, Megawide’s Deputy Head of Construction, said. “We are grateful for their continued trust in Megawide and we are committed to providing first-world construction solutions to meet their standards,” he said.

Megawide is currently undertaking the construction of Urban Deca Homes Manila, located in Tondo, Manila City, and Urban Deca Homes Ortigas, located along Ortigas Extension, Pasig City. Urban Deca Homes Ortigas recently celebrated the topping-off ceremony of its first two buildings last February 3, 2020.

According to Tan, Urban Deca Towers Cubao will be built mainly with Megawide’s proprietary precast and formworks technologies for high-quality finish and faster construction times. It will be a 45-storey building with 2 basement levels and will cater to commercial and residential units.

Urban Deca Towers Cubao is located on EDSA corner Mayor Ignacio Santos Diaz St., within close proximity to the MRT-3 Cubao Station and LRT-2 Araneta Center Cubao Station. The towers are comprised of residential units, with commercial units on ground and second levels. #

Megawide is one of the most innovative infrastructure and engineering companies in the Philippines. Publicly-listed since 2011, Megawide is the private partner for infrastructure projects such as the Mactan-Cebu International Airport (MCIA) and the Paranaque Integrated Terminal Exchange (PITX). In 2012, the company established Megawide Corporate Foundation, Inc., a non-profit organization focusing on social development projects.
