As a result thereof, we ascertained that the amount of Four Million Pesos (P4,000,000.00) was received in the form of cash on December 12, 2024 and deposited to BDO Savings Account No. 002890190125 under the name of **Megawide Construction Corporation**, also on even date, details shown below:

3. We also noted that the entries in the CRB were duly posted in the General Ledger (GL).

We also verified the entries in the Cash Disbursements Book (CDB) and ascertained that the aforesaid subscription payments were not originally disbursed to the subscriber in the form of loans and/or advances and subsequently paid back to the corporation as subscription payment nor this was subsequently disbursed or returned in the form of loans and/or advances. Therefore, the amount of Four Million Pesos (P4,000,000.00), represents fresh and additional capital of the company.
5. We also conducted a cash count of the funds of the company as of date of examination and worked back to the month immediately preceding the date of the meeting when the stockholders approved the additional issuance.
6. Further, we have checked the mathematical accuracy of the summary and bank reconciliation statements, traced the receipts and disbursements and other transaction in the summary and bank reconciliation statements to the entries in the general ledger, and compare the balances shown in the summary and bank reconciliation statements with the balances per books and bank statements.

This report is solely for the use of management and the SEC and should not be used for any other purpose without our consent.

We shall be glad to discuss with you matters presented in this report and to answer any question you may have on the foregoing.

Thank you for giving us this opportunity to be of service to you.
